

CG-35-2

Transport box and wall box for insulating gloves

Application:

- Store class 00 to 4 insulating gloves.
- Ensure the gloves have a good mechanical protection against shocks and U.V. radiation.
- Can be monted on a wall, in a substation, or used as a carrying box thanks to its handle.

- Polypropylene case.
- · Translucent cover for gloves presence.
- Ergonomic handle for an easy opening.
- Quick glove-holding system with scracth strap, without damaging gloves.
- Multilingual maintenance recommendation labels according to the insulating glove standard, to be affixed in the area provided on the box.
