

MX-702

Network Type : LV

Digital Metric Ampere Clamp

Application:

- Digital clamp meter compact (3 ½ digit) with autorange for measuring DC and AC voltage, AC current, resistance, diode, continuity and temperature.
- AC current: 0,01 A – 1 000 A.
- AC voltage: 4 V – 750 V.
- DC voltage: 4 V – 1 000 V.
- Resistance : 400 Ω - 40 MΩ.
- Continuity: buzzer (>150 Ω).

Features:

- Cat III 600 V.
- Display: 3 3/4 digit LCD with a max. reading of 1999.
- Polarity: auto polarity indication.
- Automatic zeroing function.
- Jaw opening capability: about 50 mm.
- Battery: 3 x 1,5 V AAA batteries.
- Low battery indication.
- Operation temperature: -20°C / 1 000°C.
- Storage temperature: -30°C / 60°C.
- Supplied with a soft carrying case.

Composition :

- 2 test probes with angled connector
- 1 thermometric probe

Référence	Dimensions		Frequency	Weight (kg)
	Length (mm)			
MX-702	243		10 Hz - 10 MHz	0,374
