

KIT-RC-TOOLS-EV2-2

24 Piece insulated tools for live working on hybrid & electric vehicles

Application:

A 24 piece insulated toolkit designed to meet the specific needs of working on hybrid and electric vehicles, essential for any modern workshop.

- Kit of insulated tools to combine productivity and safety when working on live electric, hybrid vehicles and on batteries.

Features:

- Insulated to protect up to a maximum operating voltage: 1 000 V AC - 1 500 V DC.
- Orange hardened PVC insulation.
- Permanent laser marking to stop fading throughout the lifetime of the product via wear and tear.
- Each product has a batch number for traceability

Kit Includes:

Insulated Tools: 1 000 V AC – 1 500 V DC, IEC 60900:2018

- 1 Magnet with Flexible Extension and Handle [MO-7582-D](#).
