Insulated bi-material T7 torx screwdriver

Application :

- Designed with a dual-material handle, these screwdrivers offer superior grip and ergonomic comfort, reducing hand fatigue during extended use.
- The insulation ensures maximum protection against electrical shocks, making them ideal for electricians and DIY enthusiasts tackling live circuits.
- Precision-machined Torx tips, deliver a perfect fit every time, minimizing wear on fasteners and maximizing efficiency.
- Whether you're working on electronics, automotive repairs, or industrial projects, these screwdrivers combine reliability, safety, and performance in one sleek tool.

Features :

- Maximum operating voltages: 1 000 V AC - 1 500 V DC
- Orange and black bi-material insulation
- Black soft anti slipping material on handle
- For Torx head screws
- Available in sizes T6 to T30
