

## MT-613.

Network Type : MV

### Pre-arming clamp

#### Application :

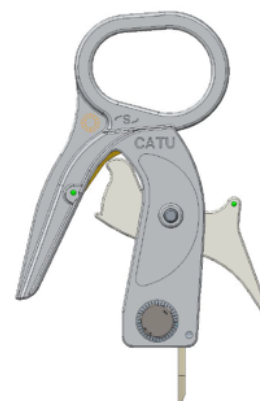

- Pre-arming clamp for grounding and short-circuiting.
- Installation by insulating stick and clamp dispenser.
- For bare overhead conductors.
- For medium voltage.
- Short-circuit rating: 10 kA/1 s.

#### Features :

- Capacity: 5 to 30 mm rounds.
- Cable connection by lug.
- Material: light alloy.

#### Optionnal accessories :

- Earthing clamp: [MT-840-1](#)
- Carrying bag: [M-87295](#)
